TAGGING FOR SUCCESS!

This year FFSA is offering "Tagging for Success"! This is a two day event as part of the Daytona Beach Shores Conference that includes two full days of training for Waterbased Inspectors.

This event takes participant out of the classroom and into an interactive learning environment including:

1. Hands on training in the Reliable Sprinkler learning trailer, NFSA Valve Trailer and local training trailers
2. The State Fire Marshal's own game show testing your knowledge of state industry requirements
3. The game "Name That Standard" testing your knowledge of NFPA standards with chances to win prizes
4. The Fire Sprinkler Challenge testing your knowledge of the different types of fire sprinklers
5. Tag that System giving participants to put their knowledge to use identifying which systems need to be tagged and why!
6. A full day of Fire Pumps for Fire Systems

This event includes two days of interactive learning, games and prizes. Get all 16 CEUs required for renewal with hands on training and winning prizes.
